WHY 6-MONTH FOUNDATION?

The 6-month Foundation program, commonly known as Certificate IV in Entrepreneurship & New Business, is a recognized qualification within Australia's Vocational Education and Training (VET) system. This program meets the standards set by the **Australian Qualifications Framework (AQF) at Level 4.**

The 6-month foundation qualification is designed for individuals who wish to:

- **Gain specialized skills and knowledge** applicable across various industries
- **Develop practical expertise** for immediate use in professional contexts
- Use it as a **pathway to higher education**, including diploma and bachelor's degree programs
